Sir:

On May 17, 2002, the Examiner assigned to this case called the undersigned regarding a response to the Restriction Requirement of October 1, 2001. In particular, the Examiner stated that he had not received a response to this Restriction Requirement. The undersigned checked his file and confirmed that an election (and amendment) was sent to the PTO on November 28, 2001, with a petition for a one month of extension of time, which is within the required time period. A copy of that election is enclosed herewith. This election had a certificate of mailing signed November 28, 2001. The undersigned has received a stamped post card from the PTO showing that the PTO did receive this election. A copy of the stamped post card is enclosed.

Therefore, Applicant has fully responding to the outstanding restriction requirement and requests examination of this application.

Please charge Deposit Account No. 50-1039 for any fee due for this submission.

Favorable consideration is earnestly solicited.

Respectfully submitted,
